## NHS Funded Abortion Care Provider

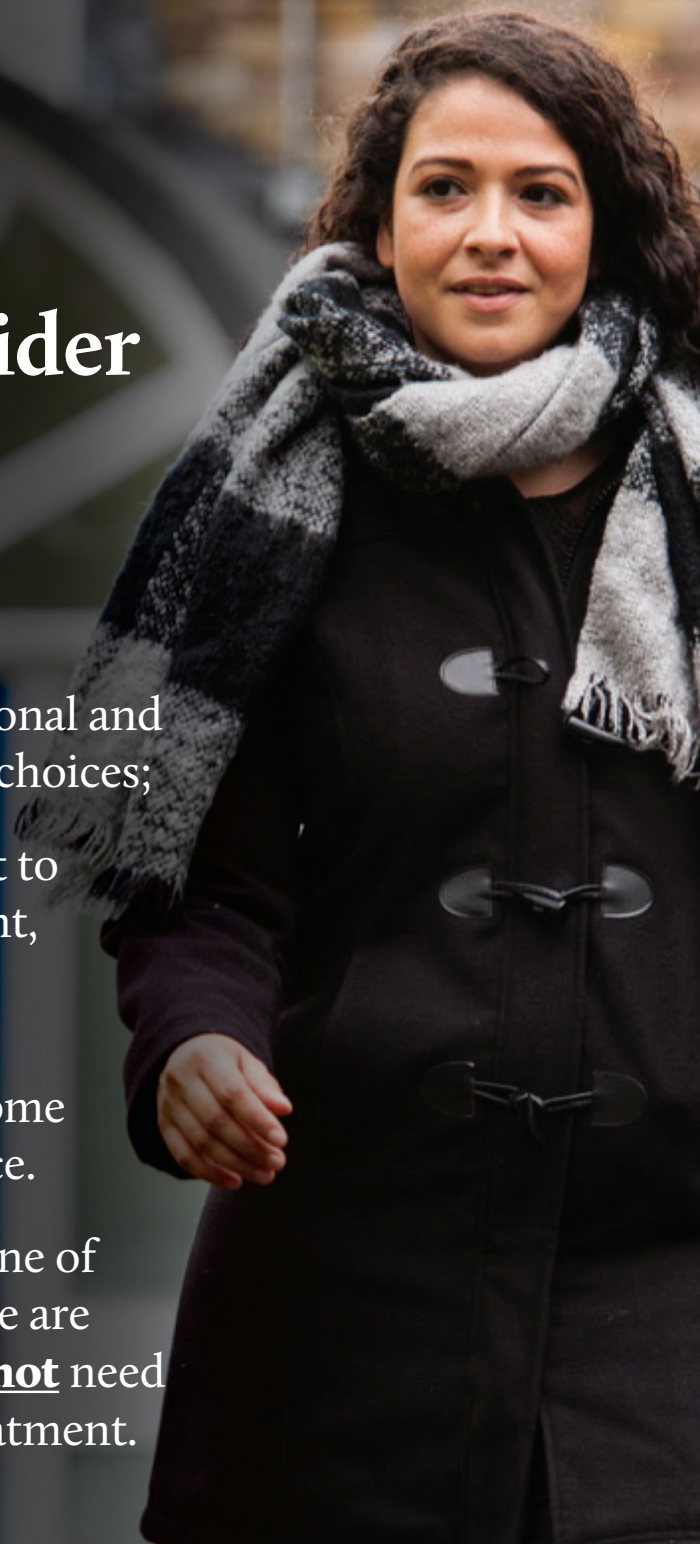

---

# COVID-19

Our clinics are open and fully operational and we are here to talk to you about your choices;

- You can still make an appointment to visit one of our clinics for treatment, or
- Contact us to talk about our At Home Abortion Pills/Telemedicine Service.

The first step is to call and talk with one of our team on tel no: **0345 300 80 90** we are open 24 hours/7 days a week, you do **not** need a referral from your GP to receive treatment.
