

Coronavirus

Entering our surgery

Stop!

Our doors are now closed.

You can only come in if you have an appointment and we have told you to come.

You **must** wear a face mask or covering to attend your appointment.

We **do not** provide these.

Your carer can come with you to your appointment.

They must also wear a face mask.

Do not enter if you have:

- a **high temperature**
- a **new cough**
- **loss of taste or smell**

If you need to contact the surgery please
